2021-2022 MEAL PAYMENT & COLLECTION PROCEDURES

USDA extends free meals for all students through June 2022

1. **PURPOSE/POLICY:**

The purpose of this procedure is to establish consistent guidelines for cafeteria meals for all students. It is applicable to all schools within Pleasant Valley School District. For the 21-22 school year, all meals will be served at no charge to all students. Ala carte milk costs \$.50. It is the parent/guardian's responsibility to ensure their student's cafeteria account has adequate funds for possible charges.

2. **FREE/REDUCED-PRICE INCOME SURVEY (MEAL APPLICATION):**

Direct Certification: At the beginning of every school year and each subsequent month, the Food Services Department conducts a process that automatically qualifies families for free/reduced-price meals. A notice is mailed before the first day of school. If you receive the letter stating that your child qualifies for free or reduced-price meals, **you do not need to complete an survey/application**. Please review the letter to ensure all students in your household are included in the letter. If there is a discrepancy, please contact the Food Services Department at nshirley@pleasantvalleysd.org or 805-389-2100 x1200.

2021-2022 Income Survey/Meal Application: *Why would a household complete an income survey if all meals are free?* The free/reduced eligibility assigned to a completed survey carries many benefits for a household. First and foremost, the **Pandemic-EBT** card is issued to households with a free or reduced meal record. Households may be eligible for reduced utility rates, sport team fees, etc. Secondary, PVSD receives needed funding based on the number of eligible students. This funding directly supports your child's school.

If a household completes a survey, please make sure all family members in the household are included on the survey/application. Benefits are calculated based on family size and income. **Please complete only one survey per household**. Once the survey is received by the Food Services department, 10 days are allowed for processing. An electronic or paper notification is sent informing the household if meal benefits are awarded. A denial of benefits is in letterform and includes the income information and family size reported on the application. If the reported information is incorrect, please contact the Food Services Department at nshirley@pleasantvalleysd.org or 805-389-2100 x1200.

To fill out a survey, please go to the Food Services website below:

- 1) To apply online: <https://pvsd.vcoe.org>
- 2) To download a paper survey: [Here](#)
- 3) Paper surveys are available at the school or district offices.

3. **STUDENT CAFETERIA ACCOUNTS:**

There is no overt identification of a student's eligibility in the cafeteria point-of-sale. All students are treated equally. It is not the intention of PVSD to allow students to consume school meals without parental consent. There are situations when a student requires a cafeteria meal: lunch forgotten at home; lunch from home has been dropped, trampled, or taken by birds, etc. **If a parent does not want their student to purchase any meals from the cafeteria, please contact Nance Shirley**

(nshirley@pleasantvalleysd.org) so a restriction can be placed on the account. We do not want unauthorized purchases to occur against a parent/guardian's wishes.

There are some school sites that utilize student workers/helpers. Their meals are logged in at the end of service. These meals are reimbursed based on the student's eligibility status. Student helpers are not charged for their meals.

4. **MEALS/MEAL ACCOMODATIONS:**

PVSD uses "Offer vs. Serve", which requires a student to take a set amount of meal components. At breakfast, four components are offered and students must take three items. At lunch, five components are offered and three must be taken. All meals must meet government-prescribed reimbursable standards: minimum ½ cup fruit/vegetable, one grain serving, and one meat/meat alternative serving. If a student is observed to not have all the necessary components to make the meal compliant before they leave the line, they are asked to take the additional servings to complete the meal.

If a parent/guardian requests a meal accommodation due to dietary restrictions, every effort will be made to fulfill the request. Before a dietary accommodation is provided to a student, a Medical Statement to Request Special Meals and/or Accommodations (CDE, CNP-925) must be completed and signed by a physician. ***Information on meal accommodations can be found at <https://www.pleasantvalleysd.org/Page/10984>***

5. **METHOD OF PAYMENT:**

Money may be added to a student's account at any time throughout the school year. Parents are encouraged to pay in advance for student meals. Online payments may be made through ParentConnect at <https://pvsd.vcoe.org/parentconnect/>. There is a service fee per transaction for online payments, but PVSD offers bonus meals to all online payments in net increments of \$35 (10 pre-paid meals). Additionally, payment may be made by check (payable to PVSD) or cash at the school site or the District Office. The use of cash is strongly discouraged. **No money is collected in the serving line – payments may be made in the classroom or school office. We are not able to make change.**

6. **CHARGE PROCEDURES:**

All students are eligible for free meals (breakfast and/or lunch) for the 21-22 school year. Ala carte milk costs \$.50. If a student forgets a home snack/lunch, the student will be provided a reimbursable meal. If a Parent/Guardian does not want their student to consume a school meal, they need to notify the Food Service Department so proper communication can be relayed to avoid unwanted meals.

Collection Procedures:

Positive cafeteria balances will follow the student throughout their time at PVSD.

All students exiting the school district mid-year or end-of-year must pay all charges prior to leaving the school district. The school site office staff or district staff will provide the negative balance information to the families.

If a student who is exiting PVSD and has a positive balance, the household has the option to request a refund, transfer funds to a sibling within PVSD, or donate the funds to the cafeteria delinquent fund.

Faculty and staff may charge up to \$5.00 for a meal and/or beverage. Employees must pay their balance before making additional charges. This is to allow for unforeseen circumstances. All adults must pay their balance by the end of each school year. If a balance is not paid, employees will receive a notice stating that the unpaid balance will be deducted from their June paycheck. This process is to alleviate financial burden on the district because unpaid balances are paid by the General Fund, which directly affects the classrooms.

The District's efforts to collect debt shall be consistent with district policies and procedures, California Department of Education (CDE) guidance, and 2 CFR 200.426. The district shall not spend more than the actual debt owed in efforts to recover unpaid meal charges. The District shall maintain records of the efforts made to collect unpaid meal charges and, if applicable, financial documentation showing when the unpaid meal balance has become an operating loss.

For more information regarding unpaid/uncollected negative balances, please go to the California Department of Education (CDE) Nutrition Services Division Management Bulletin SNP-03-2017 Unpaid Meal Charges and Excess Account Balances at <http://www.cde.ca.gov/ls/nu/sn/mbsnp032017.asp>. You can also contact the PVSD Food Services at 805-389-2100 x1200 or nshirley@pleasantvalleysd.org or visit the PVSD website at <https://www.pleasantvalleysd.org/domain/3068>.

7. **REPORTS AND INTERNAL CONTROLS:**

Sales and meal count reports are generated daily. At the end of each day, the number of meals recorded is matched to the daily production record for accuracy. All monies received are counted and reconciled. The Daily Summary Report and money received are sent to the District Office in a sealed deposit bag for verification and final deposit. The Monthly Summary Reports are compared to the Daily Summary Reports and monthly claims are processed. All deposits and online payments are reconciled by Business Office personnel. The District Supervisor will complete Site Monitoring as required. The Ventura County Environmental Health Division will conduct two annual inspections. The District Supervisor will conduct monthly meetings with cafeteria staff to review Food Safety, County Health Code, Hazard Analysis and Critical Control Points, Offer vs. Serve, Production Records, Personal Hygiene, Health and Safety, and Civil Rights. Professional Standard hours are logged annually. All cafeteria staff are ServSafe certified (Food Service Worker) and Food Handler certified (Food Service Assistant).

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA. Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027) found online at: http://www.ascr.usda.gov/complaint_filing_cust.html External link opens in new window or tab., and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

(1)Mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights,1400 Independence Avenue, SW, Washington, D.C. 20250-9410.

(2)Fax: (202) 690-7442; or

(3)Email: program.intake@usda.gov.

Pleasant Valley School District is an equal opportunity provider.
