

FOOD SERVICES

NO CAFETERIA CHARGING REQUEST SY 2020/2021

Food Services has an obligation to serve all students who come through the cafeteria line. All students who are enrolled in the Pleasant Valley School District are automatically provided with a cafeteria account. Please fill out the following form if you, the parent(s) and/or guardian(s), prefer to DISallow meal charging. By submitting a completed form, you are claiming that your student(s) is not allowed to charge meals on their school cafeteria account. Once the form is received, a note will be added to the student(s) account(s). The Site Food Service Worker, student's teacher and the school office staff will be notified that your child will not be able to purchase school meals. It is your obligation to kindly inform your child of this status to prevent an uncomfortable situation for your student. School meals must be made available to ALL students on ALL school days. All students may participate (California Education Code (EC), Section 49550).
