The Window Into Your Student's Day at School

Please make a selection by clicking on the student name, then, you will see the following screen:

The screenshot displays the ParentConnection web application. At the top left is the ParentConnection logo. To its right, a "Welcome" message is partially visible. Further right, a navigation bar contains links for "Update Information", "My Account", "Email Signup", "Help", "About", and "Sign Out". Below this is a table with columns for "Student Name", "Grade", "School Name", "School Year", "Birth Date", "Advisor", and "Counselor". The "Student Name" column is highlighted with a blue background. On the left side, a vertical navigation menu lists various options: "News", "Demographics", "Contacts", "Attendance", "Assignments", "Pulse", "Behavior", "Health", "Cafeteria", "School Materials", "Special Education", "Student Password", "Schedule", "Testing", and "Print Info". The "Student Password" option is highlighted in green. To the right of this menu, a section titled "Student Password" is expanded, showing a "Login info" field.

From the Left Menu, select “**Student Password**,” so the Student Password section will appear on the right side containing the student password information.
