

Weekly Announcements

Week of January 25th

Hello Camarillo Heights Families,

This is Mrs. Castro with your announcements for the week of January 25th.

LCAP Input

The Local Control Accountability Plan (LCAP) outlines the goals for our district. LCAP provides the opportunity for us to generate solutions and ideas in meeting our district's goals. While it is not possible (due to funding) to add every idea or action to the plan, stakeholder input is important in determining what the priorities are.

[Click here](#) to get a visual understanding of how our district and school is funded.

Each of our goals can be found within this [Google Form](#). Please provide thoughts, ideas, concerns or possible actions that would help Camarillo Heights STEM Academy meet these goals for ALL students.

Your time and input is appreciated.

Appropriate Chromebook Use

Parents/Guardians,

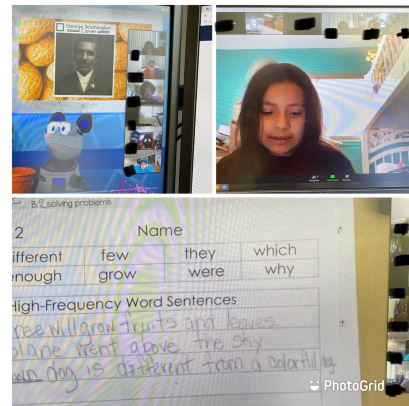

Please be advised that your student's Chromebook searches cannot be monitored by their teacher while in distance learning. The expectation is that students are using their Chromebook for educational purposes only. Students should only engage in technology applications and platforms provided by their teachers to access curriculum and instruction.

Thank you

We appreciate your partnership in our CHSA scholars' academic journey.

Classroom Spotlight on Mrs. Atkinson's 2nd Grade Scholars

Mrs. Atkinson's scholars stretch and level up their high frequency word sentences. They also embark on a fact finding journey all about American Scientist and Inventor, George Washington Carver.

New Office Hours

Office Hours: 8 a.m.-2 p.m., by appointment only.

Notable Dates:

Monday, 1/25- Friday, 1/29

Distance Learning Continues

Friday, February 5th - Progress Reports sent via email/mail

Please do not hesitate to contact me with any questions or concerns.

Juanita Castro, Principal
